West Nipissing Pickleball Club

Meeting Minutes

Date: Tuesday, October 26, 2026
Meeting with: Jamie
Topics: Member Self-Assessments and Schedule Changes

1. Member Self-Assessments

To help ensure fair and balanced play for all members, the following process was discussed and agreed upon:

Step 1 – Member Self-Assessment

- All members are asked to complete the self-assessment sheet by **November 15, 2026**.
- Members must enter their self-assessed rating in their TeamReach profile.

Step 2 – Board Review

- Once all assessments have been submitted, the board will meet to review the ratings.
- If a rating appears to be too high or too low, the member may be asked to complete a more detailed assessment provided by Pickleball Canada.

Step 3 – In-Person Assessment

- If there are still concerns about a member's rating following the second assessment, the board will form a committee of advanced players.
- This committee will conduct an in-person assessment using Lois's scoring sheet to help determine an appropriate rating.

2. Schedule Changes

- The club schedule has been revised and will be finalized once the member assessments are completed.
- The new schedule is expected to take effect on **December 1, 2026**.

3. Next Steps

- Members: Complete the self-assessment and update their TeamReach profile by November 15.
- Board: Review member ratings after the deadline and arrange additional assessments where necessary.

- Board: Finalize the revised schedule following the assessment process, with implementation planned for December 1.
