

When technology enables progress, ESET is here to protect it

We are a global digital security company, protecting millions of customers and thousands of companies worldwide.

Largest EU-Based
Cybersecurity Vendor

30 years protecting companies,
nation states and individuals
from cyber attacks

110+ million
users worldwide

Help protect over 2.5 Billion Google
Chrome users through Chrome Clean-up
and Google Play security collaboration

Work closely with all the major military,
intelligence and law-enforcement agencies
in the NATO and EU aligned countries

We go beyond protecting technology

As we are a cybersecurity company, our values come naturally

Courage

Integrity

Reliability

Passion

Privately owned, ESET is still run by the same engineers who started the company three decades ago. Maintaining our independence allows us to focus on our primary goal – protecting customers and businesses towards a better future.

Digital Security
Progress. Protected.

When technology enables progress, ESET is here to protect it

We are a global digital security company, protecting millions of customers and thousands of companies worldwide.

As we are a cybersecurity company, our values come naturally:

Courage

We don't take the easy way. We constantly push boundaries and are determined to make a difference

Integrity

We encourage honesty and fairness in everything we do. We have an ethical approach to business

Reliability

People need to know they can count on us. We work hard to live up to our promises, and to build trust and rapport

Passion

We're passionate, driven and determined to make a difference. We believe in ourselves and what we do

Privately owned, ESET is still run by the same engineers who started the company three decades ago. Maintaining our independence allows us to focus on our primary goal – protecting customers and businesses towards a better future.

Largest EU-Based Cybersecurity Vendor

30 years protecting companies, nation states and individuals from cyber attacks

Help protect over 2.5 Billion Google Chrome users through Chrome Clean-up and Google Play security collaboration

110+ million users worldwide

Work closely with all the major military, intelligence and law-enforcement agencies in the NATO and EU aligned countries

We go **beyond** protecting technology
