

The Early Church Fathers. 38 Volumes

Broken into three sections, this authoritative collection of writings by the Early Church Fathers is essential for understanding patristic thought. **Series I of the Nicene and Post-Nicene Fathers** consists of eight volumes of the writings of St. Augustine, the greatest and most influential of the early Fathers, as well as six volumes of the treatises and homilies of St. Chrysostom. The **Nicene and Post-Nicene Fathers Series II** contains in fourteen volumes the works of the Greek Fathers from Eusebius to John of Damascus and the Latin Fathers from Hilary to Gregory the Great. The **Ante-Nicene Fathers** represent the first primary sources of Christian history following the canon of the New Testament, and include writings from the Apostolic Fathers as well as various third and fourth century sources.
