Strongs#266 (hamartia)

hamartia: a sin, failure

Original Word: ἁμαρτία, ας, ἡ

Part of Speech: Noun, Feminine

Transliteration: hamartia

Phonetic Spelling: (ham-ar-tee'-ah)

Short Definition: a sin

Definition: prop: missing the mark; hence: (a) guilt, sin, (b) a fault, failure (in an ethical sense), sinful deed.

266 *hamartía* (a feminine noun derived from [1](#) /A "not" and [3313](#) /*méros*, "a part, share of") – properly, *no-share* ("no part of"); *loss* (forfeiture) because not hitting *the target*; *sin* (*missing the mark*).

[266](#) /*hamartía* ("sin, forfeiture because missing the mark") is the brand of sin that emphasizes its *self-originated* (*self-empowered*) nature – i.e. it is not originated or empowered by God (i.e. *not of faith*, His inworked persuasion, cf. Ro 14:23).
