6 Year Light Commercial Warrant

Petra Design Inc warrants that Art Floor Luxury Vinyl Plank Flooring will be free from manufacturing defects for the length of time specified for the particular product.

This warranty further covers delaminating, loss of original pattern and color due to fading or wear, when the flooring is subject to normal residential use, provided the flooring covered by this warranty is properly installed and maintained. Defective installation is not covered by the warranty. Proper installation includes adequate subfloor and subfloor preparation. All floating product joints are warranted to be watertight.

Our warranty does not cover:

- Darker colors naturally show more scratches and dirt, therefore requiring more maintenance. We cannot warrant Art Floor LVP against these normal occurrences.
- Damage caused by fire or flood; moisture intrusion caused by emissions from sub floor; intentional abuse; damage caused by vacuum cleaner beater bar; indentations or damage caused by improper rolling loads, chairs, or other furniture not using proper floor protectors or caster wheels; cutting from sharp objects; asphalt staining and staining from rubber mats; surface scratches; damages.
- Changes in color or sheen appearance when exposed to a natural light source; exterior application or loss due to inconvenience, loss of time, incidental expenses, or consequential damages.
- If prior to installation Art Floor is not acclimated to room temperature for at least 24 hours, and maintained at that temperature post-installation, damaged caused by this won't be covered in the warranty.
