Dear Zova,

Congratulations on a job well done!

You jumped into this role head first and I am truly impressed by the level of professionalism you reigned with. Not many queens as young as you can boast your grace and humility.

It is a testament to the love and passion you have for the art of drag, and the scene is better for your contributions.

I wish you unlimited success in the future and I am proud to share space in the Loren Family with you.

*Love,  
Your sister*

MISS CLUB 200 2022-2023

ZOVA DA SILVA

*I didn't believe anyone when they told me that this year would fly by, but here I am shocked that my reign is over. It has been an honour representing Club 200 this year, I am so grateful that I had this opportunity. Becoming Miss Club 200 has immensely shaped my drag and the person I am today.*

*Allen, Joel and the staff at Club 200, thank you for supporting me this year. I absolutely could not have done this without all of you. I cannot thank you all enough for supporting me.*

*To Anita Stallion – You have changed my life. That sounds so cliché but it's the truth. You've taught me that to get love, I must give love. That's something I'll never forget. My drag would not be the drag it is today without you.*

*To Satina Loren – My gorgeous drag mother. Thank you for teaching / coaching me through this crazy queer world. I knew instantly when we met that we would grow so close. I can't thank you enough for all the wisdom you've taught me.*

*To Special K, Traycee, Orion Sbelt, Kymera and Hellen Bedd D'Sloot – I don't know how I ever lived my life without all of you. I am inspired by each and every one of you, you are my family. Please continue to hold me accountable, humble me and read me to filth, it means more to me than you know.*

*Throughout my reign, I've tried my best to stand up for what's right. I will always fight for the people I love. I want to thank my community for always sticking up for me, caring for me and giving me the space to be who I am. This I'll never forget.*

*I am excited to join this legendary group of former Miss Club 200's. Thank you all for sharing your experiences and wisdom, it truly kept me going.*

*I want to especially thank my predecessor Miss Club 200 21-22 Purple Haze. The help and support you've given me this year has not gone unnoticed. I hold such a special place in my heart for you and consider you family.*

*To Chikita Banana and Viktoria Vanity for your decade and double decade as Miss Club 200s congratulations!*

*Lastly, thank you to everyone who has supported me along the way. Thank you for coming to my shows, sharing my posts, and showing me love. You make me feel like a superstar and that's all my little queer self-wanted.*

*I came into my reign not knowing anyone and I am leaving with a family. My name is Zova Da Silva, Miss Club 200 22-23. And I thank you.*
