The Staff and Management of Club 200

Message from Miss Club 200 Prairie Sky

Greetings from Miss Club 200! I had the (mis) fortune of holding the title for two years. However, thanks to the support of Allen and Joel we were able to make the most of what we were given. The entire staff of the club have been super supportive of the early drag shows, the safe drag shows, and tolerating the mess I always left behind! Thank you so much DD, Tristan, Kelly, Anita, Joan, and James.

I am also very appreciative of everyone who stepped up and help support the two years of reign! Feather and Vida for being ready to do the happy hour shows, Anita always willing to co-host and the roster of family and friends who were able to perform in the few shows I was able to put together! I also want to thank those who extended the invitation for me to perform, or host events during the reign because that made the years much more fulsome. I was not able to do the things I wanted to do but it's done now and I will look back on these times with fondness.

One of the highlights of this reign was being able to collaborate with some real superstars in an effort to help sustain the club post pandemic! Anita, Lita, Feather, Local Honey, Buffy Lo, and all those artists who collaborated to make cheesy videos that was so much fun! Of course, huge thanks to everyone who chipped in from near and far to keep this club going!

A huge congratulations to all of the decades we are celebrating this weekend! Connie Vicious, who I look up to and love so dearly! Congrats on thirty years. Our double decades Anita and Joan! You two have been through it all and I am so honored to share the stage with you every opportunity we can. Congrats to the two decade representatives Poison Ivy and Twyla Starr. Twyla, you have always been so kind and giving and your strength is admirable.

I am so honored to have been able to hold this title. Cake, you have guided me through the years and i hope i can be as gracious to either Dirt, Ms. Assuma Gender, or Purple Haze in the same ways.

Chi-miigwech to everyone. Much love from your 2020-2022 Ms. Club 200,

Prairie Sky

Miss Club 200 2010/11 Poison 9. V.

10 Years? Already?

Who would have thought that Drag would have led me to create such amazing bonds that will last a lifetime! It's been an honour to be a part of Club 200's Legacy and to be a part of a great line of performers both past, present and future!

The next generation of Winnipeg Drag is out there making me proud with all the progress they have made with resilience and determination, to bring the Winnipeg Drag Scene to life. The new Generation of Winnipeg Drag is pushing the limits.

To all the future performers, keep pushing the boundaries and blazing the trail & don't forget to have fun in the process! Special thanks to Allen & Joel for absolutely everything they have done throughout my journey.
