March 18th, 2020

Dear Treasure Shores Beach Club Members,

We hope you and your families are staying safe during this time of National emergency.

Treasure Shores cares about the health and safety of our owners and guests.

As you know, the President has strongly discouraged discretionary travel, business, vacation and holiday travel including domestic and international travel.

At this time Treasure Shores is open and operating while adhering to the National Safety Guidelines. This includes not meeting in groups of 10 or more.

Many local businesses and restaurants have closed their doors until further notice.

We are taking precautions by limiting office foot traffic and contact with owners and guests.

The Board has met and come to a decision as of March 13th, 2020 to suspend any courtesy in-house exchange requests for the rest of the year. Any paid and confirmed in-house exchanges prior to March 11th, 2020 will still be honored.

We strongly encourage our owners and guests to visit the CDC website and watch your local news network for updates on the current situation in regards to the Coronavirus disease (COVID-19).

Thank you for your understanding and cooperation.

Treasure Shores Board Association
