

Happy Holidays from All of Us at Casey's

Our Holly wishing you and yours a very healthy and merry holiday!

Our Billy keeps an eye out for the next lap – or a warm neck! Mitch bent down to give him some loving and Billy had a better idea! I guess it's time to check out any e-mails or messages.

“You can't change the world by saving one horse. But you can change the world for that one horse.”

As we close out 2022, Casey's Safe Haven has so Much to Share with our Supportive Family.

We always want to acknowledge our supporters and volunteers because without them, Casey's would never be able to rescue, rehabilitate and find our rescues their “Forever Home.” Most of our supporters know that we are also certified as a sanctuary and many of our rescues are too old or health compromised to be adopted out, so they will live out their retirement years with Casey's. Sponsorships of our sanctuary guests, or even our rescues, is a great way to help us care for them. Check out our “How you Can Help” page of our website. www.caseyssafehaven.org. Unfortunately, we cannot acknowledge all of our fantastic volunteers in our newsletter, but here are a few that come on a regularly scheduled basis, and so dedicated even in the coldest and hottest days! THANK YOU from all of our equines and staff!

How blessed is Casey's with Insight's Volunteer Program. We have had some large projects - like new sand in our indoor arena and Insight's program lets employees volunteer for a day! Their employees have helped us with many other big projects.

Many Ways to Help:

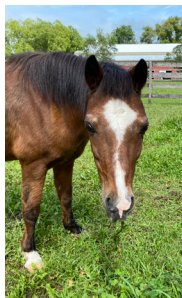

Volunteer, sponsorships, memberships, “Like” us on Facebook, Sign up for our newsletter, attend our 2023 events and fundraisers, and employer matching grant programs!

Many employers, like Insight Enterprises, Inc, have “Volunteer” programs for not-for-profit charitable organizations. **Does Yours?**

Not only do Insight's employees spend a day with us, they also do fundraising for us. We are so grateful for our community and will always need new faces to spread the word, help at the barn, attend our events, and just bring your heart and kindness to help rehabilitate our rescued equines.

Meet Camelot - our most recent rescue!

Camelot was relinquished to us by a very loving mom. Unfortunately the husband passed and she could no longer care for their farm or Camelot. We have had a long term business relationship with them and she immediately reached out to us. Camelot is used to a very quiet farm and is having a bit of a hard time adapting to all of the activity at our rescue. He came with his very own saddle, and would make a wonderful adoption for a very quiet “forever home.” He is very good with children and had been ridden by the couples grandchildren. Contact us for more information.

Amazon Smile

When you are shopping this holiday season, consider purchasing through AmazonSmile. It works just like the regular Amazon or Amazon Prime, but you can select Casey's as your charity of choice and Amazon will donate a portion of proceeds from each purchase. We are listed as Casey's Safe Haven Holistic Horse Rescue and Sanctuary. Your supporting us through Amazon Smile truly helps our mission.

Unfortunately, as long as equines are regarded as commodities there will always be souls in need of rescuing. Casey’s Safe Haven Holistic Horse Rescue and Sanctuary is a registered 501(c)3 organization, relying solely on donations, grants, fundraisers and community support for funding.
