

Happy Holidays from All of Us at Casey's

WE MISS YOU ALL!

COVID-19 has affected so many people and our blessings and prayers go out to all and we look forward to seeing you in 2021.

Our Cleo is patiently waiting for 2021 and our visitors returning!

As we close out 2020, Casey's Safe Haven has so Much to Share with our Supportive Family.

We miss our many visitors throughout this year. Normally, as part of our 'Pay-It-Forward' philosophy, we open our barn free of cost to planned visits from senior homes, Boy and Girl Scout Troops, 4H Clubs, group associations and our community. All have the awesome opportunity to experience the connection between equines and humans. We are hoping that in the spring/summer/fall of 2021, we will again be able to open our doors.

In September, we did a series of Mini Open Houses - following COVID-19 socially acceptable rules. We had three 1.5 hour sessions with a maximum of 40 people, broken into groups of 10. Each group visited four different stations. It worked wonderfully. Everyone cooperated, wore masks and each session was outside on a beautiful autumn day. Many of you have been reading about our Rescue "Prince" and people that came to the open house were able to meet Mitch (Prince's trainer) and Prince and all of our other rescued ponies, donkeys and horses. It was such a success, that we may even use the same formula for our 2nd Annual Open House in 2021 Thank you all who came to the Open House this fall.

Petunia loves visitors and misses you all!

Sunday Morning Crew - We are so blessed!

Many Ways to Help:

Volunteer, Sponsorships, Memberships, "Like" us on Facebook, Sign up for our Newsletter, Attend our 2021 Events and Fundraisers, and Spread the Word!

Many employers have "Volunteer" and "Matching Fund" programs for not-for-profit charitable organizations. **Does Yours?**

We are so grateful for our community and will always need new faces to spread the word, help at the barn, attend our events, and just bring your heart and kindness to help rehabilitate our rescued equines.

Follow Prince's Journey on FaceBook and our Website

Meet Rescued Prince and read his journey online. He has been with us since the end of January but there were so many moving parts to his story, we just didn't know how they would land. As fate would have it, he is still with us and now has become part of our family and we are sharing his story as it is pretty incredible. He has come a

long way since January and because he was very dangerous, we brought in Mitch Bornstein, trainer, clinician and author of "Last Chance Mustang." Between Mitch and Sue, he slowly is coming to learn to trust that not all humans are awful and mean. His training is being sponsored by a few people, but we are only maybe at inning four of his training. If interested in becoming a sponsor, it would help us continue with his training. Any amount would help and is tax deductible. Here is Part One of his story...Read [HERE](#)
