

Happy Holidays from All of Us at Casey's

Our Cece celebrating the Holidays at Casey's

"You can't change the world by saving one horse but you can change the world for that one horse."

Our "Watch Cat" Billy keeps an eye on the cars coming and going as he scouts out a lap to lay in for a major petting!

As we close out 2021, Casey's Safe Haven has so Much to Share with our Supportive Family.

We always want to acknowledge our supporters and volunteers because without them, Casey's would never be able to rescue, rehabilitate and find our rescue's their "Forever Home." Most of our supporters know that we are also certified as a sanctuary and many of our rescues are too old or health compromised to be adopted out, so they will live out their retirement years with Casey's. Sponsorships of our sanctuary guests, or even our rescues, is a great way to help us care for them. Check out our "How you Can Help" page of our website. www.caseyssafehaven.org

That being said, along with our volunteers, we have the best caretaker of our equines in our Barn Manager, Jose! We want to acknowledge him in our year-end newsletter and also announce he is a new father! He and wife, Victoria, welcomed Emiliano into their lives and we all know that Emiliano will have loving parents, just as Jose brings his loving, caring personality to Casey's equines.

Many Ways to Help:

Volunteer, Sponsorships, Memberships, "Like" us on Facebook, Sign up for our Newsletter, Attend our 2022 Events and Fundraisers, and Spread the Word!

Many employers have "Volunteer" and "Matching Fund" programs for not-for-profit charitable organizations. **Does Yours?**

We are so grateful for our community and will always need new faces to spread the word, help at the barn, attend our events, and just bring your heart and kindness to help rehabilitate our rescued equines.

Meet Patriot - our most recent rescue!

Meet Patriot (AKA I Make the Rules). Many times we change the name of our rescue because of their past sad history. In Patriot's case, he came from a very loving home and a sweet young girl who loved him. He is an 11 year-old Thoroughbred gelding that was recently diagnosed with Kissing Spine.

Although, he can run with the best of them, when under saddle, it is painful for him to transition from walk to trot or trot to canter. He arrived this December and he is just beginning to be comfortable at our barn. His family has visited him multiple times already and the daughter/owner will be volunteering at the barn so she can still see and love on Patriot. It is so clear to us that this was a very difficult decision to bring him to Casey's.

We receive many requests for "pasture buddies" and we are hoping he can find his new "Forever Home" soon. In the meantime, we will all treasure his time with us.
