 Heave Ho – equinemed surg.com
 Heiro – equinemed surg.com

* Casey's uses specific wood shavings and feed from J & R Feed in Hampshire, IL. If you would like to donate shavings or feed, please contact J & R Feed at 847-683-4533. Or stop out and visit them at 11N840 Romke Road, Hampshire, 60140. You can let them know what you want to donate and they will set it aside for us or you can purchase a J&R gift card.

**Usually visitors will ask what we need and the first answer that is easiest for them to purchase and bring is sweet potatoes and carrots. We are blessed every time someone walks in the door with produce for the horses. We have had visitors return just to drop off more produce. Unfortunately, much of it can be wasted as we can't use it fast enough before the produce spoils. The best option is to give a gift card so we can purchase fresh produce when needed. Gift cards from Caputo's (they have the best prices on sweet potatoes) and Meijer are great.

And remember – For all of your purchases that you do from Amazon, please use Amazon Smile, and pick Casey's Safe Haven (Westmont, IL). Then, a portion of your purchase goes to Casey's Safe Haven. Amazon Smile is the same as shopping on Amazon.

Casey's residents are always grateful for any donations, large or small!

Donations are 100% Tax Deductible
