### Statements of Understanding

- 1. I have completely read the foster parent contract and promise to abide by all clauses, including going to see the foster horse, vet checks, giving the horse time to settle in to its new home, returning the horse, and the annual updates required. I have the required facilities, the financial backing, the mental, physical, family stability and the time required to commit to the above tasks for the life of this horse while in my care and everything required to keep a horse in good health and provide a good quality of life for the horse.
- 2. I understand that Casey's will take care of any vet bills, farrier bills, and will keep Casey's updated on the foster horse needs and care. I understand that animals fostered from Casey's Safe Haven includes no guarantee regarding training level, soundness, temperament, breeding soundness or general condition. As a foster parent, I assume full responsibility for any person injury, property damage or death caused by a Fostered Animal in my care, and agree to hold harmless and indemnify Casey's Safe Haven, all persons associated with the program, its heirs or assigns for the horse's training level, soundness, temperament or general condition and for any damage caused by the fostered animal. I understand that Casey's Safe Haven and its representatives do not know everything about every horse, regardless of how long the horse has been in Casey's care.
- **3.** I understand it is my responsibility to know my limitations regarding time, money, knowledge and riding ability prior to fostering and I will be truthful and forthright in my preference for the fostered horse.
- **4.** I promise that his application is true and factual and I understand that any false statements can result in immediate removal of all the foster horses from my facility. I have read and understand this Foster Parent Contract, and agree to abide all rules and regulations of the contract.
- **5.** In the unlikely event that CASEY'S dissolves or closes down, I understand another program will pick up the management of facilitating this contract and tracking the horse for its duration as a foster in my care and that CASEY'S will contact me if this happens.
