

Cece was rescued from a hoarding situation, tied to a post in the back of the garage covered in burrs. She came to us with a very damaged untreated left hoof. She literally walked on the front of her hoof because of what we believe was ligament damage. She has been an unbelievable trooper over the years of working on repairing what many vets said could not be treated.

HAPPY BIRTHDAY!
I'd sing but I'm a little HORSE

Have a wonderful day!
