We are glad to offer you and your families an opportunity to enjoy running in Humboldt County this year. Distances may vary. The above distances are guidelines. The run in yellow is not part of the HRRAY program, so doesn't count toward HRRAY awards. In order to participate in the League Championships, you must finish at least TWO League meets. If your school offers a cross country program, you MUST compete with your school team. All other athletes may participate as unattached athletes. Contact Jack for registration details.

For any questions, email HRRAY at hrray707@gmail.com.
