Issued by the Director,
Ontario Boilers and Pressure Vessels

The owner of every boiler or pressure vessel in respect of which a certificate of inspection has been issued shall keep the certificate in good condition and post it in a conspicuous place near the boiler or pressure vessel, as the case may be, or, if that is impractical, at the place that an inspector or the insurer of it directs in writing.

This COI was issued based on information submitted by a third-party inspection agency.
