Why do I need all this information?

Your address is needed because, I will mail your certification upon successful completion of the course. Your phone number is needed in case I need to contact you or check in with you. Your email is needed because there will be assigned homework and you will be sending it through email.

Once I process your application and your registration is complete, I will ask for a FB friend request, so I can place you in the classroom with your class. FB makes this a mandatory process; you must be a friend to be placed in a group.

All classes will be held on their assigned dates and times via Zoom. Zoom is an App that is a secure video conference, and you can download it for free. The link to the Zoom-class will be announced in the classroom. You are required to be on screen for the entirety of the classes, preferably in a place where you will be undisturbed for the entirety of each class.

Class sizes are small as to keep the integrity of the information. Although you will be sharing a classroom with others heading towards the same destination, you are all on your own individual paths. My course welcomes the diversity of each student and embraces the knowledge that we are all in fact tiny pieces of a much larger puzzle.

My name is Charli and I believe that there are many ways in which to reach this path. I do not believe that my way is the only way. No one way is the absolute only way. Just as no one way is better than another. I'm willing to share with you the way in which it was taught to me, and I in turn am blessed to teach it to so many others.

Thank you in advance for allowing me to be a part of your journey, and I look forward to mentoring you.
