LEGAL DIRECTIVES IN HEALTH CARE SETTINGS

*Understanding Guardianship, Conservatorship,
Powers of Attorney & Decision-Making Authority*

Legal directives can be complex and the rules are not always what we think they are. This 2-hour webinar will clarify the laws and help you feel confident in your role when important decisions are needed.

DO YOU KNOW THE ANSWERS TO THESE QUESTIONS?

1 What is the difference between a legal guardian, conservator, and POA?

2 What does the term “durable” mean when it comes to a POA?
(If you think this means it covers both healthcare and financial powers, this is incorrect.)

3 What decisions can a legal guardian make—and what decisions can a resident still make for themselves?

4 When can a resident override their Healthcare POA?

5 Can a resident with a legal guardian consent to sexual expression?

6 Is a guardian the same thing as a guardian ad litem?

IF YOU HESITATED ON EVEN ONE OF THESE QUESTIONS,
— this webinar is for you. —
