The Bar

Our carefully selected bar company, **Dutch Courage**, will be serving from our stylish bar set within one of the alcoves. Their fantastic team provide an unrivalled service for you and your guests, offering personalised packages that are tailored to your specific needs and favourite tipples!

Let Dutch Courage take care of your drink service, allowing you to relax and enjoy your day with a perfectly crafted drink in hand.

The Grounds

You will have exclusive use of Coo and the surrounding gardens and grounds. And providing the sun is shining, your guests will be able to stand outside, sip champagne, and enjoy the most amazing views.

More importantly there are some wonderful opportunities for wedding photographs, using the stunning scenery as a backdrop, and with the use of our beloved stretch golf buggy 'Harriet' we can take you around the estate in style!

You could even walk up to Aboyne Castle, which is a favourite amongst photographers who have shot at the venue before. If however, the weather isn't on your side, rest assured that unlike most converted barns this one is flooded with natural light.
