Dance into summer with one of GPAC's summer training programs!

This is a great time to reach new levels with focused training, smaller class sizes, and excel at a more rapid pace. Through our summer dance camps, your dancers will have the opportunity to learn various styles of dance while building confidence, stretching, mental wellness and much more!

There will be snack/lunch breaks and themed crafts each day.

At the end of each program the dancers will show off their newly acquired skills in a brief demonstration Fridays at 12:30.
