## WELCOME BACK TO THE LOBBY!

We're excited to open our lobby again starting when summer classes begin. We are looking forward to keeping the lobby accessible for all and allowing our guests to watch dance classes. We ask that you be respectful in space and time knowing that we have three studios and many visitors! At this time we will still require masks for parents and students in the lobby.

***Please remember DTG is a mask-on zone. We must comply with CDC regulations to ensure the health and safety of our dancers and faculty. We are in this together!***
