THE 22 MAJOR ARCANA OF THE TAROT ([CONNOLLY TAROT DECK*](#))

*Available at Amazon

Hanged Man
Associated with moving beyond one's usual thoughts and activities. May indicate the need to tap into spirituality and wisdom.

Transition
The process of change, rebirth, and personal transformation. Release the past and open to future possibilities.

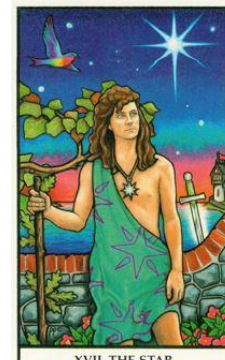

Temperance
Corresponds to harmony and balance or the need to nurture these attributes. Slow down, be patient, and refrain from impulsiveness.

Materialism
Overindulgence in the material side of life. May indicate the need for caution in pursuing external things. Focus inward on the spiritual.

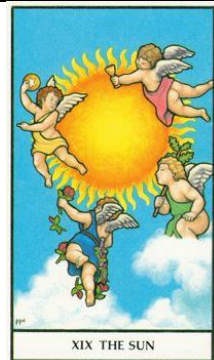

Tower
Associated with a change in one's current situation. Let go of the past and trust the awakening of one's inner guidance.

Star
The possibility of reward, success, or accomplishment. May suggest receiving external help, or guidance from the higher self.

Moon
Can correspond to uncertainty and change. May be associated with the need for caution and using personal intuition.

Sun
Symbolic of opportunities that need to be pursued cautiously. Can suggest personal fulfillment and happiness.

Judgment
Associated with discernment, introspection, and reflection. Break free of old patterns and be objective about one's current situation.

World
Fulfillment and the completion of current activities. May indicate the ability to proceed in any direction desired.
