3. Vessel Title, Authority and Condition.

Owner represents and warrants that Owner is the lawful owner of and lawfully possesses the vessel and has the right and authority to enter this Contract with AMC. The owner further represents and warrants that there is no known potential health, safety, and/or environmental hazards associated with the storage and handling of the vessel. If, as a result of a quality or condition of the vessel, same is or becomes a hazard to other vessels, property, or persons, AMC shall notify Owner, and Owner shall immediately remove the vessel from Facility. Pending such disposition, AMC may remove the vessel from the Facility and shall incur no liability by reason of such removal, even if such liability arises as a result of AMC's sole or partial negligence.

Owner acknowledges and agrees to full payment of the storage fees upon the execution of this Contract, and full payment all other services in accordance with the terms of AMC's invoice. The owner further acknowledges that failure to pay for such services creates a lien upon the vessel and subjects the vessel to arrest until such fees are paid. AMC will provide the Customer with a monthly invoice for the Services. In the event the Owner does not make payments in full for the Services requested in accordance with the terms enumerated herein; Owner agrees that they shall be liable for any unpaid balance, together with late fees of \$25.00/month, returned check fee of\$35.00 each, and a finance charge of two percent (2%) per month. The owner understands that they are responsible to maintain insurance coverage on their vessel throughout the delivery, storage and re-delivery of their vessel.

10.Assumption of Risk and Indemnification.

Owner assumes all risk of storage of the vessel at the Facility once the vessel is hauled and blocked, including risk of injury to Owner's relatives , guests, agents, vendors, representatives, or employees. AMC makes no warranty of any kind respecting the condition of the Facility, including but not limited to, the yard, lot, walks, fences, or lighting. Owner hereby agrees to defend, indemnify and hold harmless, AMC, its parents, affiliates, subsidiaries, insurers, directors, officers, employees, agents, predecessors, successors and assigns against any claims for injury to Owner, Owner's relatives, guests, agents, vendors, representatives, or employees, occurring at, around or near the Facility, even if said injuries are caused by AMC's sole acts or omissions. AMC is responsible only for its own negligence in moving the Owner's boat or equipment out of the water and over land but is not responsible for any damage or loss after said boat is blocked. Thereafter, Owner assumes all risk of damage to the vessel, its equipment or personal property thereon, resulting from, but not limited to, acts of third-parties, fires, flooding, winds, or for any other reason. In no event shall AMC be liable for incidental or consequentialdamages or loss of use or lost sales or profits

12.Insurance.

Owner shall at all times maintain hull, general liability and property damage insurance on the vessel with liability limits in amounts sufficient to insure performance by Owner of the hold harmless and indemnity provisions contained herein. The owner shall name AMC as an additional insured and shall provide a certificate of insurance to AMC evidencing its status as additional insured and waiving subrogation. The owner's failure to comply, or demonstrate compliance, with this provision, however, does in no way constitute waiver by AMC of this provision.
