## WHO I AM

I am not a career politician.

I am a Marine, a father, and someone who believes leadership means **responsibility**.

I believe Colorado Springs deserves a mayor who tells the **truth**, works with the community, and **focuses on real solutions** instead of **politics**.

## WHAT I WILL FOCUS ON

**Public safety** and support for police and firefighters

**Affordable housing** by cutting unnecessary regulation

**Reliable infrastructure** including roads, water, and utilities

**Accountability** and transparency in city government

**Working** with neighborhoods, churches, and community leaders on real **solutions**
