

Join AmeriCorps Community Corps

Earn money for college. Gain work experience. Make a difference.

Play a vital role in tackling our communities' most pressing challenges as an AmeriCorps Community Corps member with Marshfield Clinic Health System. Serve hand-in-hand with people at an organization working to improve health such as a non-profit, clinic, hospital, coalition, public health department, governmental agency or youth-serving organization. You may coordinate and work events; provide educational materials and programs; or support organizational activities and operations.

Benefits of full-time service

(35-40 hours per week)

- Explore health-related workplaces and learn new skills; ideal gap-year or paid internship experience
- Make a lasting positive impact by supporting community health work
- Receive ongoing professional skills training throughout the year to build your resume
- Earn a modest bi-weekly allowance
- No-cost health, vision and dental insurance
- Low- to no-cost child care assistance
- \$6,495 educational award for tuition or student loan payback upon completing service

Green Bay non-profit supports healthy food access and education and cooperates throughout NE Wisconsin to build a sustainable local food system in a clean environment.

Responsibilities:

1. Communication: via website, newsletter, blog, calendar, and social media.
2. Outreach and partnership development:
 - a. with regional farmers and other food producers whose well-being and sustainable enterprises are linked to supporting sustainable practices that produce healthy food, air, water, and soil.
 - b. with rural and urban community organizations supporting healthy local food access, especially those focused on underserved populations.
3. Education on healthy food access and sustainable agri-food systems.
4. Assessment of program effectiveness and community needs.
5. Research on similar programs in other areas.

Hours: flexible 35-40 per week, mostly virtual. Available as a paid internship for qualified students.
