Upon **inspection (New owners $50.00 fee),** payment of a refundable **security deposit of $400.00** and a **non-refundable connection fee of $25.00**, water will be turned on and one garbage can will be delivered. Garbage is picked up on **Mondays**. Trash cans are to be placed and removed from the curb and within twenty-four hours. Brush pickups are held every third full week of the month. To dispose of brush at any other time, you must cut it small enough to fit inside your trashcan with the lid closed or hire someone to haul it away.

Water is billed monthly at a rate of **$42.00** for the first 1,000 gallons of usage and **$4.00** for each additional 500 gallons. The rate for usage above 3,000 gallons is $.0125 per gallon. Garbage is billed at a rate of **$30.97** per month. A second can is available for **$17.06** per month. Sewer rates start at **$34.50** and range from $30.58 and up depending on your water consumption for the months of December, January, and February. If utility service has been discontinued for over a year, water meter will be removed. To restore service, a reinstallation fee of $300.00 is required in addition to the $25.00 reconnection fee.
Utility statements are mailed about the 1st of each month and are due by the 15th of the month. A 15% late fee is added at 5:00 pm on the 15th.
Accounts not paid by the 25th are subject to termination and a $25.00 reconnection fee. Calling to say you will be late does not exempt you from paying late charges or reconnection fees.

I have read and agree to the above conditions: _____Date: _____
