Unfinished Business:

None

New Business:

Two proposed Zoning amendments were given to the members for review. The Ordinance regarding road dedication was taken home by the members due to the size of the amendment and the time it will take to read it. The amendment for Agritourism was reviewed and the only concerns of the Planning Commission were the road issues and the closing time.

With no further business to discuss a motion was made by Art for adjournment. This motion was seconded by Bert and the meeting was adjourned at 8:11.

Respectfully Submitted,

Susan Smith, Sec/Treas
