Work Experience

Graphic Designer/Artist

Bethany Shaw Designs - Branson, MO

July 2013 to Present

Anything 2D related I have tried at least once. I am particularly great at Adobe Suite programs such as InDesign, Illustrator, Photoshop, Lightroom and many others to fit any of your graphic design needs. My portfolio is just a few examples of what I can do, but I am always looking for new things to try. I am also a skilled painter as well as a professional photographer and have been using that skill alongside graphic design. I work with both PC and Mac products.
