LENAG

An abstract painting of a face in profile, facing right. The face is rendered in a vibrant, saturated cyan color. The interior of the face is filled with various textures and colors, including green, pink, yellow, and brown. There are several circular and rectangular shapes within the face, some of which appear to be collage elements or cutouts. The background is a light, neutral color. The overall style is expressive and colorful.

ABOUT US.

South Trip Gallery is the first Chilean Art Gallery aimed at disseminating, promoting and exporting Chilean and Latin American artists in the international art market, becoming a company associated with the ProChile country brand.

Founded in 2013, its main mission has been to show Chilean art abroad, through the management since its inception of its Director Karin Barrera, Visual Artist, who from that date until now coordinates the output of hundreds of Visual artists in different techniques and trades abroad, undertaking endless international presentations to countries such as France, United Arab Emirates, Argentina, South Korea, England, Italy, USA among others.
