ABOUT US.

South Trip Gallery is the first Chilean Art Gallery aimed at disseminating, promoting and exporting Chilean and Latin American artists in the international art market, becoming a company associated with the ProChile country brand.

Founded in 2013, its main mission has been to show Chilean art abroad, through the management since its inception of its Director Karin Barrera, Visual Artist, who from that date until now coordinates the output of hundreds of Visual artists in different techniques and trades abroad, undertaking endless international presentations to countries such as France, United Arab Emirates, Argentina, South Korea, England, Italy, USA among others.
