## ***POEM'S FOR KIM***

***From Dad, Mom, Kendall, Calvin, and AJ***

I thought of you with love today but that is nothing new  
I thought about you yesterday and days before that too,  
I think of you in silence I often speak your name  
All I have are memories and your picture in a frame  
Your memory is my keepsake with which I'll never part  
God has you in His keeping I have you in my heart..

### **In Loving Memory: A Farewell to My Beloved Sister**

With heavy hearts, we say goodbye to my dear sister,  
Kimberly Cooper. Her sudden departure has left us  
shattered. She brought immense joy and love into our lives.  
Her radiant spirit, infectious laughter, and compassionate  
heart touched us all deeply. We will forever miss her  
presence, but her memory will inspire us to live with the  
same zest and kindness she exemplified. Farewell, dear  
sister. You will be eternally cherished.

**With love, Kendall "Big Little Brother" Jackson**

### **From the Henderson Family**

If tears could build a stairway, And memories a lane.  
I'd walk right up to Heaven, And bring you home again.  
No farewell words were spoken, No time to say goodbye  
You were gone before I knew it, And only GOD knows why.  
My heart still aches in sadness, And secret tears still flow,  
What it meant to lose you, No one will ever know.

Kim, I thank you for truly being the first person to Like ME  
for ME. You loved me unconditionally through thick and  
thin, high and low.

I just want to say "Thank you for being a friend that Traveled  
down a road and back again. Your heart was true, you were  
my pal and a confidant.

***Love Always Brandi***

Hey big sis, things won't be the same without you.  
We won't have that big smile walking through the  
door, the humor, and lessons that you'll give the  
family. We won't have out little bickering between  
the Oldest and Youngest's anymore. I'm going to  
miss that about you. Wish we were able to hang out  
more, get some drinks and catch up more often. I'm  
writing this letter to let you now that you were loved  
and that you'll be dearly missed. I will remember you  
as the big Sister I can always joke with and talk to  
whenever I called you. There's not enough words I'm  
able to express to show my gratitude, appreciation I  
had for you. To keep it simple, I love you and miss  
you Kimberly, until we meet again.

**-Love Skinny One**

You Never Said Goodbye, You never said I'm leaving.  
You never said goodbye. You were gone before We  
knew it and God knew why. If love alone could have  
saved you, You never would have left. For over 30  
years, You were like a daughter to Us. It broke our  
hearts to lose you, but you didn't go alone, for part of  
Us went with you the day God called you home. We  
will always love you. As long as We have Love for you  
in our hearts, You will always be with Us.

**Love, Mr. Chuck and Ms. Linda**

I never thought it would be hard for me to see you  
gain your wings, and my heart is broken. God  
loved you the most. Rest in peace, my niece, until  
we reunite on the other side.

**Love, Uncle Bobby**
