Welcome to our first WTPC Newsletter for 2025! As we work to move forward with our events, the Board is dedicated to providing transparency and including our membership in the changes and decisions as much as possible. The Board feels strongly that we are a volunteer organization and as we plan for our first event in April, you will see the Board leading the efforts to run a great show with the least number of paid helpers as possible. So far, April will be all volunteer! We have lots of members willing to help! Many thanks to everyone who is committed to the success of our club!

The Board is here to run this club based on the membership's recommendations. Please complete this short survey...

<https://form.typeform.com/to/EcBx93mh> it takes about two minutes, but it gives you all a voice to help us move forward this year and think of our future. Please take a few minutes and complete the survey! We look forward to seeing you in the pen!
