Member Spotlight: Kevin Wagner

Hi everyone! Please meet board member and Cattle Director, Kevin Wagner. An active member since 2023, Kevin has been involved in the sport since early 2019, primarily sorting and organizing practices with the Grays Harbor Mounted Posse. Last year, he was laser-focused on winning the Green Novice Penning saddle on his horse, Rudy, whom he purchased from long-time members Jeff and Kori Sirrine.

Kevin lives in Rochester with his wife, Jody, their four dogs, three horses, and cattle. Outside of the arena, he commutes 100 miles a day to serve as a wastewater specialist for the City of Fife.

As Cattle Director, Kevin oversees more than 125 cows during our events. His responsibilities include numbering and ensuring all livestock are healthy and fit for two days of competition. Kevin notes that these events would not run as smoothly without the essential behind-the-scenes support of Billy Grimmatt and Heather Anderson.

Best regards, Kevin Wagner

Message from our President

We are halfway through the show season with only half of this year's goal for awards. We need sponsors. And with that, we need all your help! The end of the year awards budget which was shared at the general membership meeting is set at \$30,000. In order to provide useable, quality awards, we need help.

Please reach out to local businesses or individuals who may want to support our club. Sponsors get direct exposure at our events and on the Westside Team Penning Club webpage. Any little bit helps.

We have sponsorship forms on our website and at each show. If you have any questions, please reach out to any board member!

Thank you for your help!

Rob

Thoughts and Considerations from Show #3

- **Sponsorship Update:**
 - Saddle sponsor slots are almost filled!
 - We have buckles covered through the month of **July** at this time, so we are looking for more sponsors. We really want to keep this going for everyone!
 - We are still building a fund to cover second and third place year end awards.
 - If you have any questions regarding sponsorships, please reach out to any board member. Kevin Wagner and Heather Anderson are leading the effort this year.
- Kyle the BBQ Guy will be back for our June show! Thank you for supporting him. Their cooking is their passion and the club is doing a great job of supporting them.
- Reminder: When pulling a trailer into T90, please use the trailer entrance (it has a sign on the gravel road). T90 does not want trailers using the main spectator entrance.
- **Merch! We have clothing and other options available online at <https://westside-team-penning-club.printify.me/>**

Sponsors!

We cannot thank everyone enough for committing to our club!

From price cuts for equipment, donated cattle feeders, donated hay, raffle items, and commitments for buckle, saddle, high point awards, and more...our community is stepping up for WTPC. Below is a list of paid contributors to date with many more names committed. **If you would like to be a sponsor, just ask a Board Member.** We are fortunate for each one of our sponsors!
