Hi all!

I discovered my passion for horses later in life, beginning my equestrian journey over a decade ago. What started as a personal interest quickly evolved into a dedicated pursuit, and for the past four years I have been actively involved in competitive riding. My experience includes a season competing in Mounted Archery with the National Horse Archer Association, where I developed precision, focus, and a strong partnership with the horse. More recently, I have shifted my focus to team sorting and penning disciplines that highlight strategy, communication, and horsemanship in a fast-paced, collaborative environment.

Throughout my journey, I have had the opportunity to own and lease several horses. Currently, I continue to grow my skills by leasing exceptional horses through my trainer, each one presenting new challenge that push me to become a more capable and adaptable rider. What I value most about riding is the sense of balance and relief it brings, both mentally and physically.

Outside of the arena, I maintain a close-knit home with my two cats, Sapphire and Orion, and my dog, Enzo. When I'm not riding, I enjoy hiking and exploring the Pacific Northwest with Enzo, embracing the connection to nature that compliments my life with horses. Thank you for all your work on the Board this year Julie!

Thoughts and Considerations from Show #4

- **Sponsorship Update:**
 - **Saddle sponsor slots** are almost filled! Please jump in if you are interested in covering one.
 - **Buckles** are covered for the whole season!
 - We are still building a fund to cover second and third place year end awards. We very much need more sponsors! If you have any questions regarding sponsorships, please reach out to any board member. **We are still working on an additional \$6,000.**
- **September Show...has been cancelled.** Just too many logistical issues to make it a success.
- **We are preparing for our year end Silent Auction.** Thank you to Sabrina and Fiona for managing the silent auction organization for us! **We can begin collecting items for the silent auction now if you have treasures to share!**
- Kyle the BBQ Guy will be back for our July show along with coffee!
- **Merch! We have clothing and other options available online at <https://westside-team-penning-club.printify.me/>**
- **Signups: If you sign up for the show and cannot make it, please reach out to someone and let them know.** We typically run very lean in the office and don't always catch if someone hasn't checked in. This can cause issues during classes, some folks are missing partners etc. Just a reminder...we need everyone's help and communication to make our shows a success. Thank you!
- **We have a date for the banquet: Mark your calendars for November 7! It will be at the Thurston County Posse Hall again in Littlerock, WA.**
- **Jackpot class:** We received a lot of positive feedback for the Jackpot Penning 2 team draw in June. **We will offer it again in July!**
- **Committees:** We intend to add flyers at the next three shows for members to join committee next year. There are lots of options for committees and we would love member participation!
- **Volunteers:** There are several members who help during shows as needed. The Club appreciates each and every one. I just want to give a shout out to a few that show up pretty much every show and always look for ways to fill in the gaps...Debbie Easterson scribes and judges, Val Rowe mans a gate every show, Stefane Hale rides one class and announces most of the weekend for us, Jeff Sirrine judges, has helped with hay, cattle issues when Kevin needs a backup, Kori Sirrine judges most shows,

Debra King helps out with numbering, un-numbering, tear down and set up, Ryan Bouffard judges, Jim Schak shows up every show to help us separate herds at 05:30 in the morning before sorting, Cindy Fuller has been a great help moving cattle in the back, Billy Grimmatt is there every Friday to number cows and all weekend to manage them each show, Lyle and Vanessa set up and tear down every show, Art and Penny Aske number cattle nearly every show, Cindy Homann helps a lot with set up and tear down, Chris Nomura has helped number cattle and shows up to help with set up and tear down, Kent Dinelt has jumped in most shows to help settle cattle and to help number on Friday, Stacy Elwess is our show secretary but that comes with SO many duties...she announces, she manages teams, she sets up, runs the office, and tears down. All these members have really gone above and beyond already this year showing up even when they aren't competing to help our shows run smooth. It takes the whole club to make the shows a success. **These members (and the list is not all inclusive and I apologize if I have missed any diehards)...they always show up and are happy to do it...Thank you so much!**

Sponsors!

We cannot thank everyone enough for committing to our club! From price cuts for equipment, donated cattle feeders, donated hay, raffle items, and commitments for buckle, saddle, high point awards, and more...our community is stepping up for WTPC. Below is a list of paid contributors to date with many more names committed. **If you would like to be a sponsor, just ask a Board Member.** We are fortunate for each one of our sponsors!
