[www.westsideteampenning.net](http://www.westsideteampenning.net)

Thank you for your interest in sponsoring our club! WTPC is a small club that enjoys a family sport of cattle sorting and team penning. We hold up to eight two-day sorting and penning events between March and October. Events are held at the T-90 Ranch located in Tenino, Washington.

We encourage everyone who has an interest in this sport to join us! You can expect comradery and fun, competitive atmosphere that welcomes new members of all levels.

Membership dues and entry fees only cover a portion of the club's expenses. Your sponsorship will help to fund arena fees, cattle rentals, buckles, and end of year awards. We always encourage our participants to support our sponsors and look forward to partnering with you in support of good times & good friends!
