Ceremony Location

Golden Sands has 3 traditional settings for your Ceremony site. If you see a better suited location on property, please just ask!

- * In Front of the Large turtle pond overlooking #1 Green & Fairway. Perfect for large ceremonies with plenty of staged chair seating available.
- * On #1 Tee Box, an elevated location set nicely for a beautiful presentation walkway. Perfect for a more intimate seating feel.
- * Under the Crisp White Tent location. This is a nice set up for a weather safe ceremony. It does require set up of reception tables after ceremony.

- * Off site Ceremony Location

Celebration Locations

Golden Sands has a reserved seating areas for you to design and decorate any way to make your visions come to a reality.

- * For events under 40 people our patio sections are a great space for your event. These locations have small assorted tables including round and square black metal mesh tables, picnic tables, or some banquet length tables with metal folding chairs. Meals can be served in a buffet line, or plated depending on how you order. You may decorate the tables and space upon arrival. All decorations must be cleared after your event concludes.

* Gatherings that would like to have more space, we have room for hundreds! Our Celebration location is located close to the Bucket Bar restaurant, but in it's own location. You would be reserving our white tent location to be used for the buffet line, dancing area, and bartender area, and other various needs such as dessert or present spaces. We recommend also renting a separate tent area to hold your dinner moment. Packages with the tent rental company may include: window sides, tables, chairs, linens, lights, china, glass wear, arches, heaters, and much more. The Tent rental packages are through an off property company. We recommend Redi Rentals or Statewide Party Rentals. Their companies knows our area, they are very professional, and have many options. A separate parking lot is also created just for your guests. Two bathrooms are included inside the facility, as well as a portable bathroom right outside our Celebrations tent. For gatherings larger than 150, additional bathrooms are recommended to make your event much smoother. We can rent more if needed or you can rent them as well. You may start setting up your decorations the morning of your event. All decorations must be taken down at the conclusion of your event.
