

A close-up photograph of a bumblebee on a pink flower. The bee is positioned in the center-left of the frame, facing left. It has a black and yellow body, with its wings partially spread. The flower is a vibrant pink color with multiple petals. The background is a soft, out-of-focus green, suggesting foliage. The entire image is framed by a thick pink border.

A large, dense bush of bougainvillea with vibrant pink flowers and green leaves, set against a background of trees and a clear sky. The plant is the central focus, with its branches sprawling outwards. The pink flowers are small and numerous, creating a bright contrast with the green foliage. The background shows a line of trees and a clear blue sky, suggesting a sunny day in a garden or park setting.

Trailing sprays of hot rose pink flowers from mid-summer thru fall. Heart shaped leaves with an open airy look. Climbs by tendrils up to 40'. Sun or part shade – moist, well drained soil. Drought tolerant – root hardy, deciduous vine. One of the best plants to attract bees! Buzzzzzzzzzzzzzzzzzzzzzz
