

# Montrose Purple Vitex

*Vitex agnus-castus* 'Montrose Purple'

Slightly larger foliage and magnificent blooms that are 3 times larger than your standard vitex-  
richer, **darker blue-purple flower spikes** too! Drought tolerant, sun loving ornamental tree,  
that can be single or multi-trunk depending on how you prune it. Can get up to 18'h x 10'w.

**Butterflies!!** Deciduous.
