

Purple Daydream® Dwarf Loropetalum

Loropetalum chinense PP25471

Finally, a dwarf loropetalum that will hold its color in our heat!. Year round purple foliage with pink flowers clusters in the spring. Deer resistant and drought tolerant. Plant in full to partial Sun.

A compact variety of loropetalum that spreads nicely into a mound reaching 2'-3' high by 3'-4' wide.

Evergreen.

Fantastic in containers!
