

Pink Goddess Firespike

Odontenema strictum 'Pink Goddess'

A handsome, tropical looking perennial for shade gardens! Rich, glossy green leaves on a 4'-6' plant. Produces 12" spikes of bright mauve-pink flowers in the fall & will bloom all winter if in a protected area. This variety has slightly larger leaves and taller, fuller bloom spikes than the standard pink form. An absolute must for the fall hummingbird migration! Responds well to pruning. Prefers shade or part shade but will grow in full sun.
