

# White Upright *Penta lanceolata* 'White'

These “uprights” are the heirloom, pass-a-long originals that still carry all the sweet nectar that hummingbirds and butterflies love.

The self-cleaning *lanceolatas* bloom non-stop with no dead-heading. They can reach up to 3' tall and their flower clusters are 3" across thereby adding both height and color to sun, part-sun or light shade gardens. Normally root hardy in harsh winters – if not, cut back hard in early spring for a full plant with year-round beauty. Easy to grow and makes a decent cut flower! 'White' is a pure, clean white.
