

# Variegated Moses- in- the- Boat

## *Rhoeo spathacea vittata*

A colorful, semi-tropical groundcover that is perfect for difficult areas where a splash of color is needed. It tolerates dry shade and can be used in areas under trees where turf is thin. Sword-like, somewhat succulent leaves are deep green with purple undersides. 'Vittata' has pink and yellow-green striped variegations. Grows 6" – 12". Prefers shade to part shade, but will grow in full sun. Moist, well-drained soil.
