

Gorizia Upright Rosemary

Rosmarinus officinalis 'Gorizia'

Gorizia is a large, robust rosemary from Italy. It grows 4-5 ft tall with nice broad leaves. It is nearly twice the size of common rosemary. Gorizia has a strong robust rosemary fragrance with a delicious gentle flavor. It grows upright on stiff stems that can be used as barbeque skewers. It produces a light blue bloom in the spring and summer. **Evergreen**. Deer resistant. Full sun and well-draining soil.
