

Danbury Rocks!

During their museum field trips this year, Danbury 3rd graders painted beautiful rocks that will be hidden in public spaces and places all over town this summer. Follow us on social media to see where to hunt for these fun pieces of “hidden history.”

Thanks to the Danbury Public Schools 3rd graders for their creativity, and to Dom’s Garden Center for the donated rocks!

Follow us on social media and be sure you tag your photos with [#DanburyRocks](#) and [#DiscoverDanbury](#) [#HiddenHistory](#)!
