SBBA Events:

- The consensus of the group was that with the success of the May Mingle, it should become our annual membership drive event.
- A lively discussion for a “Business Expo” ensued. This SBBA event would invite the public to “meet & greet” the businesses of the SBBA. The day after Pig Picking was selected as the date for a brunch type event. Various locations were discussed. Patrick will head up the planning for this event.
- Pig Pickin is scheduled for September 7th. We will have a sign-up sheet for wine tent shifts at the next meeting.

SBBA 2019 Projects:

- James Barton introduced the “Saftey Flag” project. The flags are already out on Sandfiddler & Tuna. Four more intersections: Rock, Bonita, Pike and Whiting need flags. James made a motion that the project be supported by the SBBA. The motion was approved. James will head up this project.
