

The 76th Running of the
Howard County Cup Races

A celebration of Howard County's past, present and future
Saturday, May 4, 2019

2:30 p.m. Opening Ceremonies • 3 p.m. First Race • Concludes with Live Coverage of Kentucky Derby!

www.howardcountycupraces.com

The race meet is in the cradle of Howard's "rural west," in the picturesque valley of Jennings Chapel Road, easily accessible from all points, including Mount Airy, I-70, Ellicott City, Columbia, Clarksville, Olney and Damascus.

A Howard County family tradition since the 1930s, the race meet showcases one of Maryland's most historic sports, horse racing across the open countryside, jumping over natural fences. Spectators enjoy outdoor parties, picnics and tailgating while cheering on the horses and riders. The Howard County Cup is the only activity to bring together "old Howard County" with "new Howard County." The races are a popular sporting outing for all Howard Countians, allowing everyone to enjoy the tradition, the countryside, the sport and the opportunity to meet new friends and neighbors or to catch up with old acquaintances.

The Winners' Circle Luncheon Tent, catered by the Iron Bridge Wine Company, features fabulous food and drink, a sweeping view of the course, and is a breath away from the horses surging across the finish line! The jumbotron will show the Kentucky Derby at the end of the day. The luncheon tent allows you to mix easily with other local business owners, current and future clients, and provides you with plenty of opportunities to invite your own friends, family and clients to a day in the country!

20th Century Sponsors

From Warfields, Pfeifferkorns, and Devereauxs to Clarks, Riggs and Sharps, the history of the Howard County Cup is the history of Howard County in the 20th century.

Sam Pfeifferkorn, Jr. and Featherstone were the 1958 & 1959 winners of the Howard County Cup.

This beautiful silver loving cup is presented in memory of Katherine Lee Warfield to the winner of the Howard County Cup open timber race.

Kingdon Gould, Jr. and Hurdy Gurdy were the 1964 winners of the Howard County Cup; the late Kingdon Gould chaired this race meet and designed our "modern fixed" race course, first held in 1960 on the property of the Maisel family on Folly Quarter Road.
