Final Bill – Due by 14 days after conclusion of event

The final bill will be calculated by checking the total number of registered participants.

For example: 202 registered participants would cost \$956.

\$650 base fee (presuming 1 year commitment pricing)

\$306 additional registrations past 100 (102 x \$3= \$306)

\$956 (Total Bill) - \$250 deposit = \$706 (due after event)

Cancellation:

If it is decided to cancel for any reason it is required that there is 14-day notice. Any events cancelled after that time will be fully billed.

There is no return on \$250 deposits regardless of cancellation.
