# Medieval Times

DINNER & TOURNAMENT

Saturday, July 20, 2024

*This is definitely someplace you'll want to explore.*

Before the start of the show, everyone gathers in the great hall. Each guest is given a crown that represents where they are sitting and which color knight they will be cheering for. Once you hear the sound of trumpets, it's time for the games to begin. During the tournament, you're given a hearty meal of soup, chicken, corn, a seasoned potato, and a pastry of the castle (vegetarian meals are also available). And remember, this is the middle ages, so your utensils are your good old-fashioned hands. Wenches walk around the 1000 seat arena to sell you a drink or two as well.

The knights battle in head-to-head combat on authentic Spanish Andalusian horses while the King and Princess look on. Also in the show is the kingdom's master falconer. After an intense battle on horse and foot, only one knight is left standing. He is crowned champion and takes a victory lap while passing out roses to some of the most noble on his cheering squad. Medieval Times is a one-of-a-kind experience that can take you back in time to an authentic 11th century way of life.

Located right next to the castle is a large area known as the *Medieval Village*. Filled with artifacts and displays from over 800 years ago, this attraction included with your ticket, will give you a whole new perspective on medieval life. Many of the items in the Medieval Village are authentic pieces imported from Spain. It's practically a museum!
