The Morse Museum houses the world's most comprehensive collection of works by Louis Comfort Tiffany (1848 -1933), including the artist and designer's jewelry, pottery, paintings, art glass, leaded-glass lamps and windows; his chapel interior from the 1893 World's Columbian Exposition in Chicago; and art and architectural objects from his Long Island country estate, Laurelton Hall. The Museum's holdings also include American art pottery, late 19th and early 20th century American paintings, graphics, and decorative art.

Winter Park's Scenic Boat Tour is a natural attraction. Adventuresome for the first time visitors seeking flora and fauna or savvy travelers seeking an off-the-beaten-path experience, you won't be disappointed when you discover the Winter Park Scenic Boat Tour.

Located on Lake Osceola the boat tour offers hour-long, guided cruises through three of the seven lakes and two, narrow manmade canals on the tranquil Winter Park Chain. On any given tour, participants may observe large cranes swooping waterside to snag a large fish or a lazy alligator languishing on a nearby bank.

Every tour, however, guarantees plenty of swaying palms, towering cypress trees, lush ferns and a variety of flourishing sub-tropical flowers. Breathtaking views of opulent private homes and exquisite estates sprawling along the shores are also a key feature of the scenic cruise.

To top off the day, we will enjoy a wonderful lunch at the Cheesecake Factory and even bring home a piece of their famous cheesecake. Remember to bring a small cooler for your cheesecake.
