## ABOUT THE "CHRISTMAS SPECTACULAR!"

The baby grand will welcome you into the Mansion where each year 10 rooms are embellished with all new elaborate designer decorations and 24 nativities from around the world to celebrate the birth of Christ.

This enchanting event includes all the rooms on the ground floor and the three bedrooms on the second floor (including the owner's bedroom, bathroom, and closet). Visit the original School House which has since been converted into a Zen like guest cottage/gift shop featuring a soaring 15 ft. Polynesian ceiling. The School House will offer a few gift ideas including a picture book featuring the Christmas designs, all created and installed by owner, JT Thompson.

The 1886 Stetson Mansion is the largest and most spectacular "Gilded Age" residence ever built in Florida before 1900. The grand Victorian mansion has had all of its original rich architectural details restored. You will walk on 16 stunning original mosaic parquet floor patterns.

The Victorians started our modern Christmas traditions like gift giving and Christmas trees, so what's better than seeing Christmas in one of the Victorian homes where it all started? The Stetson Mansion had one of the first trees ever illuminated with electric lights.

The Stetson Mansion is Florida's most historic home, but it is not a museum. It is a private residence that is lived in and welcomes guests this time of year with over the top elegant and reverent adult holiday decorations. The owner/designer might stop in to say hello to your group.
